THE IVY NETWORK CORPORATION

ELECTION UNIT

WTBU Radio / 30 Bay State Road, Boston, Mass. 02215

July 16, 1969

Dear Bob:

As you can already tell, I got the stationery and am now in the process of establishing IVY with the political committees and other research outlets for our coverage.

The price for the letterhead and envelopes was quite modest, enclosed is the bill, I took care of it in cash -- please reimburse as soon as possible.

Looking forward to hearing from you when you're in town, all else proceeding better than planned.

Regards,

George
